Lots of national media interest this morning. Good message from David Gray to Exxon PIO. David is trying to find a PIO to mobilize to incident. In the interim he is filling PIO function remotely.

Patrick,

I am David Gray, director of external and government affairs for EPA in Dallas, Texas. I understand that you are the lead PIO for Exxon at the spill in Mayflower, AR.

EPA has taken calls from these reporters. I wanted to share their contact information with you also. A copy of the 3/30 Incident Unified Command Joint Information Center release has been shared with them (attached).

Please keep me updated on releases coming from the Unified Command as I work to assist the federal on-scene coordinator Nicolas Brescia.

My contact information is:
gray.david@epa.gov
214.789.2619 cell

Please call on me if I can be of any assistance.

David
